

§ 115D-25.2. Flexible Compensation Plan.

Notwithstanding any other provisions of law relating to the salaries of employees of community college boards of trustees, the State Board of Community Colleges is authorized to provide a plan of flexible compensation to eligible employees of constituent institutions for benefits available under Section 125 and related sections of the Internal Revenue Code of 1986 as amended. This plan shall not include those benefits provided to employees under Articles 1, 3B, and 6 of Chapter 135 of the General Statutes nor any vacation leave, sick leave, or any other leave that may be carried forward from year to year by employees as a form of deferred compensation. If a plan of flexible compensation is offered, then a TRICARE supplement shall be offered. In providing a plan of flexible compensation, the State Board may authorize constituent institutions to enter into agreements with their employees for reductions in the salaries of employees electing to participate in the plan of flexible compensation provided by this section. With the approval of the Director of the Budget, savings in the employer's share of contributions under the Federal Insurance Contributions Act on account of the reduction in salary may be used to pay some or all of the administrative expenses of the program. Should the State Board decide to contract with a third party to administer the terms and conditions of a plan of flexible compensation as provided by this section, it may select such a contractor only upon a thorough and completely advertised competitive procurement process.
